

Lancaster Regional Medical Center General Instruction Sheet for Consultations

1. You can expect your consultation to last for about 30 minutes.
2. If you have small children, please make prior arrangements for their care. We cannot be responsible for the supervision of your children.
3. Please bring your insurance cards with you. If your claim is to be filed with worker's compensation or auto insurance, bring that information with you.
4. Bring a list of current medications.
5. **Lancaster Regional Medical Center** is located at 250 College Ave. Lancaster, Pa. The hospital provides ample parking. There is a free parking lot across the street and also a Day Hospital Parking Area. You will need to enter the Main Entrance to the hospital and turn right and proceed several feet until you reach the registration desk located on the left where they will take care of you.
6. If injections or treatments are recommended by the doctor, you will have your procedure the following Monday in the Endoscopy Suite at the hospital. You will be notified what time you will need to be here for your procedure the Sunday evening before your appointment. Please check in with the receptionist when you enter the patient service entrance the day of your procedure.

Please call Dorothy at 717.627.PAIN if you have any questions.
